## Celebrities Share July 22nd Birthday

July 22nd seems to be a popular day to be born, at least according to the impressive list of rich and famous people born on that day! Also born this date are Albert Brooks, Rose Kennedy, Sen. Robert Dole, Amy Vanderbilt, Willem Dafoe, and Danny Glover.

It's interesting to note that as of Wednesday, July 22, 1998, Margaret will have been alive for 26,663 days!

## Pirates Win 1925 World Series

PITTSBURGH - It was celebration time in Pittsburgh as the Pirates captured the 1925 world title. It was a hard loss for the Washington Senators of the American League, as the National League team took the series four games to three.

## Congress Debates Consumer Prices

CAPITOL HILL (UPI) - Heated discussion marked the House floor today as Congress debated the state of consumer prices. Many congressmen complained that the average American just can't afford a new house at today's price of $7,809.00.

Split along party lines, many Republicans felt that twenty-eight cents for a half gallon of milk was a solid consumer bargain, while Democrats pointed out that forty-seven cents for a pound of bacon was too expensive for many. Since the average U.S. worker now earns a record annual wage of $1,434.00, many members of the House felt that nine cents for a loaf of bread was quite affordable.

Vice-President Charles G. Dawes noted that while ten pounds of potatoes had risen to thirty-six cents, he said that the American public had, in 1925, more buying power than ever before.

## Chinese Celebrate Year of the Ox

CHINATOWN - It only seems natural that the birth of Margaret Mary Burns might be a cause for great joy in the Chinese community.

After all, this lucky person was born during the Chinese Lunar year of 4,592, the year of the Ox, a very auspicious year! Persons born in this year are said to be bright, patient and inspiring.

Today's fortune cookie says, "Celebrate By Shopping For New Clothes!"

## Music, Music, Music
## The Top Hits of `25

What a year it has been for the music industry! With hit songs like "Five Foot Two, Eyes Of Blue," and "I'm Sitting On Top Of The World," success was assured. Who could forget the enchanting melody of "Yes, Sir, That's My Baby," or stop humming, "If You Knew Suzie," one of the year's most popular songs? Yes, the tunes of 1925 will remain in our hearts for a long time to come.
